ADVERTISING OPPORTUNITIES WITH CANTERBURY WEATHER UPDATES

CANTERBURY
WEATHER UPDATES

All weather is local

The website www.cwu.co.nz is one of the most popular websites in New Zealand despite catering for just one region.

Canterbury Weather Updates is a household name in Canterbury. We're now one of New Zealand's most renowned and sourced weather providers, providing hundreds of thousands of people each year with highly personalised weather content on social media and on our website.

Our focus is purely on the Canterbury region meaning our detail and accuracy is of a high standard. We're unique in the way we operate; we don't use computer generated models and maps but take into account real, current observations and reports from throughout the region, meaning we get all the latest on what's happening, and crucially, what's about to happen.

All our content is personally moderated; we 'feed' no computer generated or generic content into our forecasts.

Cantabs tune in every day online, whether it's planning their day, doing something active on the Port Hills or the Southern Alps, gardening, moving livestock or just hanging out the washing - Canterbury is engaging daily with Canterbury Weather Update on special media and on our website.

With a growing visitors base and over 600,000 unique visitors in the last year, our online presence is significant across the Canterbury Region; not just in our major towns and cities but smaller rural communities which now have highly moderated content at their fingertips.

Our weather forecast content attracts a large and varied visitor base as outlined in our media kit and provides fantastic and unique opportunities for reaching a significant audience online here in the Canterbury region.

Our products and service are continuously being updated with new information, functionality and features to ensure Canterbury Weather continues to offer highly detailed, comprehensive and valuable weather content for the people of Canterbury. We're flexible and adaptable to meet your specific request.

SOCIAL MEDIA & WEBSITE PROMOTION

Whether you're a big business, small business or somewhere in between, Canterbury Weather Updates can help you get your brand in front of the people of Canterbury. Our advertising rates are extremely competitive, and our approaches are innovative and hugely engaging.

W Banner Advertisement – town pages

W Rain Radar Advertisement / Sponsorship

The rain radar is an extremely popular and sourced weather product.

Only a few weather providers have access to rain radar imagery. You'll have brand presence on all our town pages and a designated rain radar image on our website. You'll also have social media promotion and brand awareness when we share these rain radar images on Facebook.

There is the option to run multiple adverts and you can of course change adverts up monthly. This position is limited to two businesses, or you can be the sole advertisers/sponsor.

A top tier and unique opportunity to have brand presence on all our town pages and have social media promotion.

W Square Advertisement – town pages

W Facebook Promotion

The daily 'highs' sponsor/advertising position. This provides a great platform for presenting your brand to tens of thousands of people daily on our Facebook page and website. This is a really popular and engaging addition, with over 25 locations presented daily, which really captivates Canterbury, given 1 News & Newshub provide 4-5 locations in Canterbury. Great value and significant online presence. We can also provide some advertising on town pages for free, if we have spaces available.

Webcam snaps of the day. A popular addition daily where we showcase one or several weather webcam images across the region. Your Facebook page will be tagged into each post, with a blurb of your choice. You'll also have 2 advertising slots on our extremely popular webcam pages, with transfer to your designated page on your website. A great tool for having significantly online presence daily.

Weather photo of the week. Each Sunday evening, we provide the photo of the week. Your Facebook page will be tagged into each post.

Event promotion. Whether it's a sporting event or Saturday market, we can promote your event on our incredibly popular Facebook page. We can provide a photo, or several photos and key information in the post to help promote your event. The post will also 'tag' your Facebook page and provide website links to increase awareness, provide more information and increase 'ticket' sales. We can also do a competition post; for example, provide 2 free tickets to increase overall engagement. We're flexible and have had significant success with our event promotions over the last few years. We can also include an event forecast, leading up to the important day- increasingly overall value. Facebook cost: \$79.99+ GST per post. Depending on 'post' frequency, duration of campaign.

Monthly Competitions on Facebook. One, if not the most powerful way of promoting your product, service, or accommodation. We have worked with dozens of businesses across Canterbury and the results have been significant, from increasing sales to increasing your social media following significantly, sometimes over 8,000 followers a month. We're flexible and have great options. Our monthly competitions reach hundreds of thousands of people. You simply provide a free night or two, or provide a free product or service and we do the rest, increasing your social media followers and website traffic and awareness of your product or service.

Get in touch and we'll come back with the best options to suit your requirements.
